

WAWLC ANNUAL SYMPOSIUM 2014 WITH FOCUS ON WOUND CARE KIT

The World Alliance for Wound and Lymphoedema Care (WAWLC) organises its annual symposium 2014 in connection with the annual meeting of the Canadian Association of Wound Care (CAWC) in Toronto, 30 October – 2 November.

WAWLC will host two international sessions during the CAWC conference:

Friday 31 October 10.30 – 11.30 (Session 5)

New lessons and knowledge about wound care in limited resource countries

Presenters: David Keast, John Macdonald, Terry Treadwell, Robyn Bjork;
Moderator: David Keast

Friday 31 October 14.00 – 16.00 (Session 13)

Debate around wound care kit for limited re-source countries

Presenters: David Keast, John Macdonald, Hu-bert Vuagnat, Eric Comte
Moderator: Terry Treadwell

The Friday afternoon session will present the final proposal for a wound care kit for use in resource limited settings. This is developed by WAWLC in collaboration with the Medecins Sans Frontieres (MSF).

The development of the wound care kit has taken place during workshops at the EWMA 2013 and EWMA 2014 conferences. The final version of the kit will be circulated to wound care companies with the objective to receive their proposals for products to be included in the kit.

Since 2013 WAWLC have organised its annual symposium in connection with a major international wound or lymphoedema care conference.

“Action 2014: Skin Health For Canada”

Discussing Best Practice in Skin, Wound, Ostomy, Continence and Lymphedema

A joint meeting of the Canadian Association of Wound Care and the Canadian Association for Enterostomal Therapy, in collaboration with the World Alliance for Wound and Lymphedema Care. This first-time initiative will offer education, research, skills and networking opportunities. Don't miss it!

WAWLC was officially launched as a global partnership encouraged by the WHO in 2009. Read more about WAWLC activities at www.wawlc.org. WAWLC is an international partner organisation of EWMA.
